DECLARATION FOR PATENT APPLICATION

As the below-named inventor(s), we hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe that I am an original, first inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled APOPTOSIS MODULATOR BCL-B AND METHODS FOR MAKING AND USING SAME, the specification of which was filed on February 7, 2002 as Application Serial Number 10/071,174, Attorney Docket No. 087102-027 2558.

I hereby state that I have reviewed and understand the contents of the above identified application, including the claims, as amended by any amendment(s) referred to above.

I acknowledge the duty to disclose to the U.S. Patent and Trademark Office all information known to myself to be material to patentability as defined in Title 37, Code of Federal Regulations, Sec. 1.56.

Under Sec. 1.56, information is material to patentability when it is not cumulative to information already of record or being made of record in the application, and (1) It establishes, by itself or in combination with other information a prima facie case of unpatentability of a claim; or (2) It refutes, or is inconsistent with, a position the applicant takes in: (a) Opposing an argument of unpatentability relied on by the U.S. Patent and Trademark Office, or (b) Asserting an argument of patentability.

I hereby claim the benefit under Title 35, United States Code §119(e) of the United States provisional application(s) listed below, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application(s) in the manner provided by the first paragraph of Title 35, United States Code §112, I acknowledge the duty to disclose information
